

CANCEL FOR ANY REASON

Freedom to change your mind

You've put all the plans in place to make your dream trip a reality. Now it's time to make your well-being a priority by choosing to protect your health and finances.

Travel insurance with Cancel for Any Reason can help.

What is Cancel for Any Reason (CFAR) coverage?

Travel insurance from Allianz Global Assistance is designed to protect you in case of many common travel mishaps.

Select plans such as the All-inclusive Single-trip or Trip Cancellation & Interruption Package or Youth Plan have a wide array of covered reasons listed for cancelling a trip such as job loss.

CFAR is an additional benefit that can be added to one of the select plans above. CFAR kicks in if you need to cancel your trip for a reason that's not listed as a covered reason in these plans.

Why consider Cancel For Any Reason coverage?

In today's climate of travel uncertainty, CFAR is more important than ever before. CFAR offers maximum flexibility so you can cancel your trip and receive the partial cost of your trip back.

CFAR allows you to cancel your trip for reasons like:

- Frequent changes to travel advisories and entry requirements for your destination
- Your health has changed
- You don't feel comfortable to travel

How does CFAR work?

1. Purchase CFAR coverage when you book your trip or before any cancellation penalties apply
2. Add to a select travel insurance plan for an additional cost
3. If you need to cancel your trip for a reason that's not a covered reason in your plan, you'll be reimbursed:
 - a. 75% of the non-refundable pre-paid insured travel arrangements if you cancel 7 days or more prior to the scheduled departure date or;
 - b. 75% of the non-refundable pre-paid insured travel arrangements to a maximum of \$1,500 if you cancel 6 days to 48 hours prior to the scheduled departure date.

CFAR benefits are not payable if you cancel your trip less than 48 hours prior to your scheduled departure date.
